

Meadowburn Primary School/ Bun Sgoil Innis an Uillt

April 2025

A motivating, challenging, inclusive and nurturing community where we learn, achieve and grow.

I can't believe that the final term of the session is already well underway! It was lovely to see all the pupils enjoy taking part in such a fantastic Health Week last week developing skills in many areas of the Health and Wellbeing Curriculum.

LEARNING THIS TERM

The children will all be busy learning about 'Our Working World' this term and will have opportunities to develop, demonstrate and apply skills as part of learning about the wider world of work.

This term, as part of the Health and Wellbeing Curriculum, children will be also learning about Relationships and Sexual Health and Parenthood (RSHP). Please see attached parent information leaflets which explain the content covered as part of this aspect of the curriculum at Early Level (Nursery to P1), First Level (P2 to P4) and Second Level (P5 to P7). Full details can also be found at www.rshp.scot where the full lesson details and resources can be viewed in advance by parents. Please note the following levels for each class. Children will be taught the lessons in year groups rather than composite classes.

Primary 1 - Early Level

Primary 2 - First Level 'To Begin'

Primary 3 - First Level 'Progression 1'

Primary 4 - First Level 'Progression 2'

Primary 5 - Second Level 'To Begin'

Primary 6 - Second Level 'Progression 1'

Primary 7 - Second Level 'Progression 2'

Please do not hesitate to contact the school if you have any questions. Teachers will plan to start these lessons after the first May holiday and lessons would normally take place once a week until the lessons have been covered.

WEATHER - BE PREPARED!

As we move closer to Summer, please ensure that your child comes to school prepared for any potentially warmer and sunnier weather ahead. We would advise that includes making sure that they are 'sun-safe' with their own sunscreen to re-apply during the day, a sun-hat/head covering and a water bottle to keep hydrated. School staff will remind pupils during sunnier/warmer days to check their bags at breaks to put on hats/sunscreen, take regular drinks of water and to access the shaded areas of the playground if required.

TERMLY LEARNING TARGETS

Learning Targets sheets for this term will come home in school bags on Friday for P1-6 and the following Friday for P7. The Learning Targets sheets will include the key learning targets that will be covered in class this term for Numeracy and Maths, Literacy, Other Areas of Learning and Health and Wellbeing. Pupils from P3 upwards have also set themselves a personal learning target they want to achieve this term. Please have a look at the targets when they come and discuss with your child/ren (and even pop on the fridge if you wish). Photos of learning undertaken towards last term's targets were shared on Seesaw over the course of last term and teachers will do so again this term so please make sure you have access to Seesaw so that you don't miss out on these progress updates.

Please see below for dates of upcoming dates planned so far for this term
Please note that dates/information about school trips for P1-6 will be sent out in the next few weeks.

Date	Event
